

# We are going the extra mile to protect our travelers.

We have been disinfecting surfaces, promoting social distancing, educating about our aircraft air filtration and circulation and finding **innovative ways to reduce contact**.

**8.8 million**

sq. ft. of surfaces in airports disinfected with Clorox Total 360

**2,700**

touchless check-in kiosks added in over 230 airports worldwide

**5,500**

sneeze guards installed at United counters

**30,911**

floor dots promoting social distancing throughout the airport

**35**

airports where UA customers can speed through security with CLEAR®

**150+**

flights a week boarding using biometrics

**250,000**

enhanced/deep aircraft cleans

**229,000**

departures sprayed worldwide

**3,000+**

bacterial swabs taken to ensure antimicrobial coating works

**15,000**

flight decks cleaned with UVC

**10,874,297**

all-in-one snack bags distributed

From our airports to our aircraft - **United CleanPlus<sup>SM</sup>** is keeping you safer while traveling
